Excess and Surplus Federal Property as Facilities To Assist the Homeless at Carswell Air Force Base (AFB)

This notice identifies unutilized, underutilized, excess, and surplus Federal property at Carswell AFB for possible use to assist the homeless.

For further information contact Derrick Curtis, Carswell Redevelopment Authority, 250 Pumphrey, Fort Worth, TX, 76114, telephone (817) 377-8061.

In accordance with Public Law 103-421, the Carswell Redevelopment

Authority shall consult with representatives of the homeless in the communities in the vicinity of Carswell AFB, and undertake outreach efforts to provide information on the buildings and property to representatives of the homeless, and to other persons or entities interested in assisting the homeless. The Carswell Redevelopment Authority will specify the deadlines for submitting notices of interest from state and local government agencies and representatives of the homeless in the vicinity of the closing base in accordance with the Base Closure Community Redevelopment and the Homeless Assistance Act of 1994, Public Law 103-421. At the end of the homeless screening period the Carswell Redevelopment Authority will have up to nine (9) months to prepare a plan which incorporates homeless interests. The Carswell Redevelopment Authority will enter into binding agreements with homeless providers during this period. There will also be a public comment period before the Carswell Redevelopment Authority submits its plan to Housing and Urban Development (HUD).

At the end of the nine (9) month planning period and the public comment period, the Carswell Redevelopment Authority will submit its plan to HUD for review and approval. HUD will evaluate the plan according to specified criteria, and will then make its decision on the plan within sixty (60) days of its submittal.

If the plan is approved, HUD will so notify the Department of the Air Force who will then immediately dispose of property either directly to homeless providers or to the Carswell Redevelopment Authority for conveyance to such providers. If the plan is rejected by HUD, there is an amendment process. If the plan is still deficient after the amendment process, HUD will take the place of the Carswell Redevelopment Authority for the purposes of making decisions on property to support homeless needs.
